What You Buy With
WAR STAMPS

Winter flying jackets for both the Army and Navy Air Corps are regular equipment for our aviators. They cost from $12 to $18 and are made of horsehide leather lined with sheep shearling.

One Stamp book filled with $18.75 worth of War Stamps will pay for one of these jackets so necessary to our airmen flying at high altitudes and in northern climes. Not only that, but in 10 years the $18.75 you lend to your government will come back to you as $25. Join the ranks of War Stamp purchasers through your Schools at War Program.
